

?? January 1968

Lakehead Amateur Radio Club

The January meeting of the Lakehead Amateur Radio Club was held in the Civil Defence Building on Waterloo Street, getting under way at 8:15 pm with President Doc Tarnow - VE3FSE in the Chair. There were 16 members present.

The minutes of the last meeting were read and accepted.

Affiliation with RSO was discussed at some extent with no definite decision being made at this time.

A motion was made by Jim "JC" Bailey - VE3DGZ that the Lakehead Amateur Radio Club nominate a delegate to the RSO, one who is a member of RSO, and that such a delegate represent the Lakehead cities only, and that the RSO be so notified. Seconded by Stan Chorley - VE3ECR. Carried.

Stan Stanford - VE3EEC was elected as such a delegate.

The Secretary was instructed to notify the RSO of the nomination and acceptance.

The President brought up the matter of publicity and public relations. After much discussion, it was decided to refer the matter to the next meeting when a vote will be taken as to whether or not we want a Publicity Manager and do we want to have a Publicity Programme.

L.A.R.C. participation with EMO was discussed. It was pointed out that the Club has not been approached by the new EMO Director to take part in their activities, and that perhaps we should invite Mr. Ted Fallen and Mr. Paul Werk to our next meeting and discuss the matter. The secretary was asked to send the invitation.

A schedule has been set up whereby at least one amateur will be available to check into the Northwestern Ontario Phone Net each night.

It was hinted by the President that there is likely to be a letter received by the Club in the future from the GRS Club, and that possibly we can give them a display of amateur radio.

It was decided to put an Amateur Radio Club display in the Northwestern Sportsman's Show to be held in April. Les Harris - VE3AYZ is to act as our go-between with the Search and Rescue Unit for this. Bill Klemacki - VE3EEW will head up the committee, and decide on the type of display, either static or working.

The meeting adjourned at 9:30 pm.

Following this we were giving a talk by Bill Klemacki - VE3EEW on the HW-12A, and films of the past Field Day were shown by Robert Browning - VE3EEM.

Signed:

Robert Browning - VE3EEM
Secretary Treasurer

Present (from February 1968 High-Q):

Les Harris - VE3AYZ
Jim "JC" Bailey - VE3DGZ
